Cast Iron Scout America

Greetings from Bass Pro Shops!

We are in the midst of planning one of our most exciting events to date and we would like the your troop to be a part of it.

On Saturday, May 24 we will host the Bass Pro Shops 2nd Annual Cast Iron Scouts America Competition.

This competition will feature six Girl Scout Troops against six Boy Scout Troops in a head-to-head Dutch Oven Cook-Off. There will be three categories of dishes prepared and each troop will be randomly assigned to prepare a meat dish, a bread/biscuit dish or a dessert dish. A complete breakdown of the competition is included in this packet.

Please read through the enclosed materials and contact me with any questions.

Only a few troops will be chosen to enter this competition and we hope your troop will consider being one of them.

Best regards,

Tisma E. Juett
