

# NEWS FLASH

If you have not heard, as of March 1, 2011 there has been a change on the “Tour Permit” process.

First and foremost there is no longer a local or national tour permit. There is only a “Tour Plan” handled by the local council which in your case is the Northwest Suburban Council. Attached you will find the procedures for the Northwest Suburban Tour Planning Guidelines.

The Tour Plan consists of 4 pages. All 4 pages are to be submitted to Northwest Suburban Council. When your Tour Plan is approved, you will receive back the last two pages.

If you have any questions, contact your District Executive, or Assistant Scout Executive Randall Toland.

Email [Randall.Toland@scouting.org](mailto:Randall.Toland@scouting.org) or 847-824-6859.
