

# Signal Hill Day Camp 2012

## Bear Whittling Chip Permission Slip

*This award is being offered to BEAR Scouts ONLY during Signal Hill Day Camp.*

Bear Scouts may earn the privilege of carrying a pocketknife to Cub Scout Functions. You will need to decide for yourself if it is appropriate for your scout or not.

We will have on staff a seasoned Whittling Professional whom will be working with Bear Scouts during the Scout Skills rotation and teach them everything that they need to know in order to earn their Whittling Chip and at the end of the Day Camp Session, the signed cards will be delivered to your Pack Coordinator.

*Whittling is a **privilege** and will be taught and treated at such at our Day Camp. If at any point a scout does not conduct himself in accordance with the safety guidelines of this activity he will be dismissed from the split.*

Cutting tools and supplies as well as safety items will be provided. Under no circumstances is a Scout to bring his own knife for this session.

Please make sure that if you would like your Scout to participate in this session that you have provided us with the information that we need, as once registration deadline is met, slots will be scheduled.

(Cut and return the portion below with you Scouts Day Camp Registration in order for you Scout to participate)
